Welcome to Jackson Parks & Recreation

Dear Community Members,

As we wrap up the summer of 2025 and look ahead to the next six months of programming at the JCC, I want to thank everyone who joined us at our events—I had such a great time meeting so many of you! The fun doesn't stop here, though. We can't wait to welcome you back for the exciting mix of new and returning events we've planned for 2026.

With construction at the Community Center nearly complete, we're thrilled to announce that our next project is underway at Cedar Run Park. Soon, we'll be breaking ground on a brand-new Dog Park—creating a welcoming space where our community can gather and enjoy time outdoors with their furry family members.

FUTURE JACKSON DOG PARK

Feedback received in the Hasmer Lake Park Plan Public Information Survey, the 2021 Parks, Recreation, and Open Space Plan, and the 2025 Parks, Recreation, and Open Space Plan Community Survey highlighted a strong desire for a dedicated community dog park. In 2024, Cedar Run Park was approved as the official site. This 26-acre park features open green space and several trails, making it an ideal location. Planned improvements include the removal of dead trees, expansion of trails, and the addition of separated fenced areas for large and small dog breeds. Construction is scheduled to begin this fall, with the park's grand opening anticipated in 2026.

As we move this exciting project forward, we are seeking community support to help bring the dog park to life through funding and partnerships. Together, we can create a space that both residents and their furry friends will enjoy for years to come. If you are interested in helping to support the project, please contact Tyler Mentzel at tyler.mentzel@villageofjacksonwi.gov or 262-677-9665 ext. 113. We can't wait to welcome you to Cedar Run Park's newest addition in 2026!

**A Special Invitation
from Santa Claus**

Ho ho ho!
My friends at the Jackson Community Center have set up a magical North Pole Post Box just for you!
From November 3 -- December 12, you can send me your Christmas wishes, and I'll send you a letter in return—straight from my workshop.

Here's what to do:

1. Write or type your letter (you can decorate it with drawings, stickers, or even a little holiday sparkle if you like!)
2. Be sure to include your name and address so my elves know exactly where to deliver my reply.
3. Drop it into the Official Jackson Community Center North Pole Post Box before 8:00 pm on December 12.

No postage is needed—just a little Christmas cheer.
The post box opens November 3 and closes December 12, when the elves load up my sleigh for the big trip.
I can't wait to read your letters!

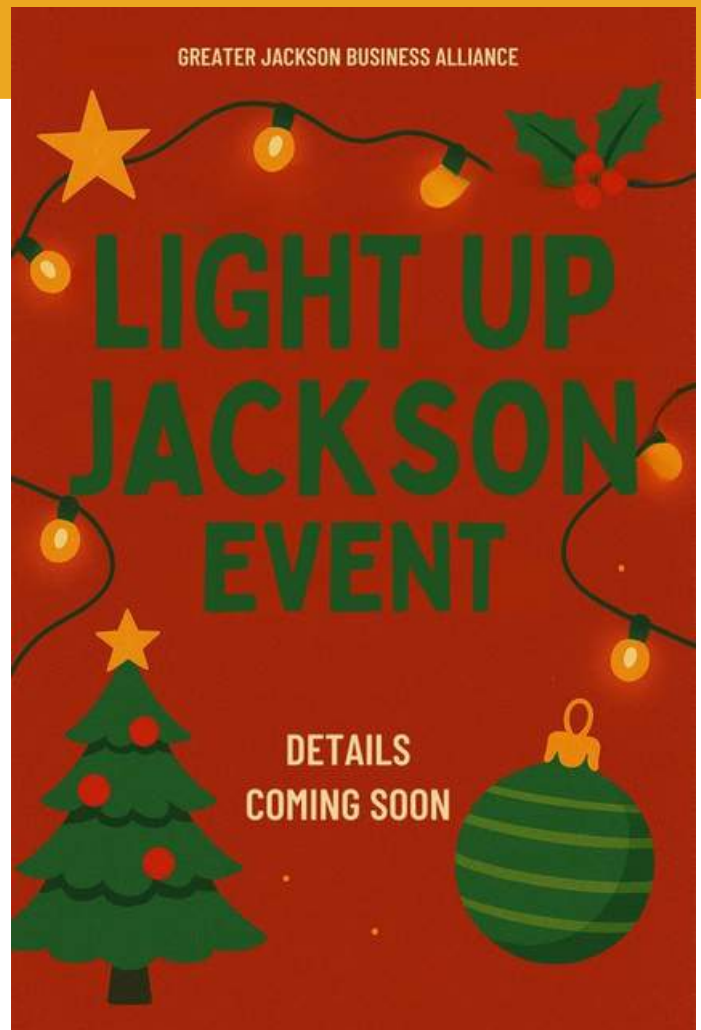

With Christmas joy,
Santa Claus
