EVERYTHING A YOUNG PERSON SHOULD KNOW

Ages 8 - 12

Growing up isn't always fun. You eventually will be expected to act like an adult. Although that may be a little ways off for you, it's never too early to get started. A major part of this process involves acquiring skills - think of it like leveling up in a video game. In this program, we will practice simple skills such as "Tying a Tie" to more complicated skills as "Getting Around Without a Phone or GPS". Learning some of these skills might be tough but we will definitely have fun trying to master them!
