# Welcome to Jackson Parks & Recreation

Dear Community Members,

What an exciting time it is for all of us! As the weather warms up, we are seeing the final touches being completed on the much-anticipated Community Center Expansion Project. Our programs and partners are starting to move into their new spaces, and we are beyond thrilled to welcome you to explore the new opportunities now available. Whether you're here to participate in programs you love or enjoy the variety of new spaces, there is something for everyone to discover!

New developments and upgrades to our community's outdoor recreation spaces will also begin! Our splash pad will soon feature a newly installed anti-slip surface, providing a safer and enhanced experience for all those who love to cool off there. Additionally, we are thrilled to begin the development of a new dog park, offering a fantastic opportunity for community members and their furry friends to get out and recreate together.

During my short time here, I have had the pleasure of meeting so many of you, and I can already feel how truly special this community is. The warmth, enthusiasm, and strong sense of togetherness have been truly inspiring. It's this spirit that has me even more excited to expand the recreational opportunities available to you all, and I can't wait to see what we'll accomplish together.

A heartfelt thank you to Kelly Valentino and Renee Fisher for their unwavering dedication and invaluable knowledge. I am deeply grateful for all they've done to lay the foundation for our Parks and Recreation Team's continued success. I wish both of you all the best as you embark on your well-deserved retirements.

Looking forward to many more wonderful moments with this incredible community!

Best Wishes  
Jackson!

Tyler Mentzel

## FUTURE JACKSON DOG PARK

Recently, the Hasmer Lake Park Plan Public Information Community Survey brought to the surface the importance of a Dog Park in the Jackson Community. The creation of a Dog Park was also prevalent in the 2021 Parks, Recreation and Open Space Plan. Ideas, locations and important components have been discussed at length over the years, but never really materialized. The primary potential site to be considered is Cedar Run Park, a 26-acre park located within in the Village, on Cedar Creek. The park is mainly open space with a few trails and an open area in the center. Due to parking and limited recreational opportunities, the park is underutilized. It does however, offer most of the base requirements to create an exceptional dog park; wooded areas, open space, trails and the Village already owns it. The timing for presenting this vision could not be better. Cedar Run Park is located at the corner of Eagle Drive and Hickory Lane. Coincidentally, the Hickory Lane Road Construction Project is tentatively scheduled for 2025. If the Dog Park project is parlayed with the construction project, it could provide cost-effective parking options and added amenities for the dog park.

**WE Welcome YOUR INPUT and support!**

We are in the beginning phase's of the project and are working with MSA Consultants to have a design and proposal to the Village Board by the end of the year, with construction complete in 2025. But we need your help, through our Friends Group, we will be creating a sub-committee to help with final amenity details, on going support and volunteer efforts to create this amazing dog park and keep it amazing for many years. Contact the Jackson Parks & Recreation Department if you are interested in participating by emailing [parkrec@villageofjacksonwi.gov](mailto:parkrec@villageofjacksonwi.gov).

*Preliminary Draft Concept is a work in progress with MSA.
