Welcome To Jackson Park & Recreation

Dear Jackson Community,

The cover of this issue of the Activity Guide is truly what the Jackson Parks & Recreation Department is all about. Through people, parks and programs - we help to create "Community". This is especially important in today's day and age, when everyone is so busy. Taking the time to get to know your neighbors, your children's friends parents, even your elected officials is something that seems to be getting away from us now more than ever. At the Jackson Park & Rec. we want to help bridge that gap by providing opportunities to get out there and participate in your Community!

We hope to see you soon at one of our Fall/Winter events or programs!

Sonya has taught children and adults the basics of art over the past 20 years, while empowering them to find their own unique style. Currently, Sonya teaches art to various school age children through the Young Rembrandts art program in Milwaukee and Washington Counties.
