LET'S LEARN TO "PLAY PICKLE" AS A FAMILY!!

Parent & Child Learn to Play Pickleball

(1 adult and 1 child age 7 - 10 Years)

Despite its funny name, Pickleball is one of the fastest growing sports in America and is catching on worldwide. Pickleball is easiest described as a combination of Badminton, ping pong and tennis. It is played on a badminton-sized court with a net similar to a tennis net. Players use a paddle that looks like a ping-pong paddle but is bigger. The ball used is very similar to a whiffle ball. In this instructional class the instructor teaches proper techniques and teaching hints to help parents be successful with kids of this age. You will then have the skills to continue to play and teach your child techniques and hints. Pickleball is truly a game for all ages and skill levels. The rules are simple enough for kids to easily pick up. Net and balls provided - **BRING YOUR OWN PADDLES.**
