# Welcome To Jackson Parks & Recreation

Dear Jackson Community,

The next 6 months will be a time of great change and excitement for the Jackson Parks & Recreation Department. We're excitingly awaiting the completion of the Community Center Expansion, along with finalizing the plans for the Jackson Dog Park! In addition, Renee Fisher, our beloved Recreation Supervisor and myself will be starting our new adventures in retirement. Although it's bittersweet, passing the baton to Jessica Loomans and the new team will provide fresh ideas, energy and continued success! I know I speak for Renee when I say what an honor it has been to serve this community for over 24 years!

Thank You Jackson!

Kelly Valentino ☺

## FUTURE JACKSON DOG PARK

Recently, the Hasmer Lake Park Plan Public Information Community Survey brought to the surface the importance of a Dog Park in the Jackson Community. The creation of a Dog Park was also prevalent in the 2021 Parks, Recreation and Open Space Plan. Ideas, locations and important components have been discussed at length over the years, but never really materialized.

The primary potential site to be considered is Cedar Run Park, a 26-acre park located within in the Village, on Cedar Creek. The park is mainly open space with a few trails and an open area in the center. Due to parking and limited recreational opportunities, the park is underutilized. It does however, offer most of the base requirements to create an exceptional dog park; wooded areas, open space, trails and the Village already owns it. The timing for presenting this vision could not be better. Cedar Run Park is located at the corner of Eagle Drive and Hickory Lane. Coincidentally, the Hickory Lane Road Construction Project is tentatively scheduled for 2025. If the Dog Park project is parlayed with the construction project, it could provide cost-effective parking options and added amenities for the dog park.

## WE WELCOME YOUR INPUT AND SUPPORT!

We are in the beginning phase's of the project and are working with MSA Consultants to have a design and proposal to the Village Board by the end of the year, with construction complete in 2025. But we need your help, through our Friends Group, we will be creating a sub-committee to help with final amenity details, on going support and volunteer efforts to create this amazing dog park and keep it amazing for many years. **Contact the Jackson Parks & Recreation Department if you are interested in participating by emailing [parkrec@villageofjacksonwi.gov](mailto:parkrec@villageofjacksonwi.gov).**

*Preliminary Draft Concept is a work in progress with MSA. Photo's are from Tails & Trails Dog Park, Waupaca, WI.*

Do you want to join a group of people who care about the parks, recreation and open spaces throughout the Jackson Community? The **FRIENDS OF JACKSON PARKS & RECREATION** is seeking "Members At Large" to join the Board.

This "Friends Group" will hold the key to how our parks and facilities are developed and maintained for future generations. We have some exciting projects coming up, call today!

## FUTURE JACKSON DOG PARK

Recently, the Hasmer Lake Park Plan Public Information Community Survey brought to the surface the importance of a Dog Park in the Jackson Community. The creation of a Dog Park was also prevalent in the 2021 Parks, Recreation and Open Space Plan. Ideas, locations and important components have been discussed at length over the years, but never really materialized.

The primary potential site to be considered is Cedar Run Park, a 26-acre park located within in the Village, on Cedar Creek. The park is mainly open space with a few trails and an open area in the center. Due to parking and limited recreational opportunities, the park is underutilized. It does however, offer most of the base requirements to create an exceptional dog park; wooded areas, open space, trails and the Village already owns it. The timing for presenting this vision could not be better. Cedar Run Park is located at the corner of Eagle Drive and Hickory Lane. Coincidentally, the Hickory Lane Road Construction Project is tentatively scheduled for 2025. If the Dog Park project is parlayed with the construction project, it could provide cost-effective parking options and added amenities for the dog park.

### WE WELCOME YOUR INPUT AND SUPPORT!

We are in the beginning phase's of the project and are working with MSA Consultants to have a design and proposal to the Village Board by the end of the year, with construction complete in 2025. But we need your help, through our Friends Group, we will be creating a sub-committee to help with final amenity details, on going support and volunteer efforts to create this amazing dog park and keep it amazing for many years. **Contact the Jackson Parks & Recreation Department if you are interested in participating by emailing [parkrec@villageofjacksonwi.gov](mailto:parkrec@villageofjacksonwi.gov).**

Preliminary Draft Concept is a work in progress with MSA.
