# Welcome To Jackson Parks & Recreation

Dear Jackson Community,

It will be interesting to read about the last year and half in history books some day. The journey of living through a global pandemic has not been as easy one for many. I can speak for our department when I say we have missed seeing our patrons face to face and holding the special events that are so important to the fabric of our community. We are delighted to begin opening more and more programs and events. And just like many of you, can't wait to put this piece of history behind us.

So, Here's to the Return of Summer Jackson! Let's make it a good one.
